

MAIN STREET STATION

BRECKENRIDGE COLORADO

Main Street Station is located within steps of the base of Peak 9, with spectacular westward views of Breckenridge Ski Resort. The east side of the building sits directly on historic Main Street, where you will find hundreds of shops and dining options. Established 150 years ago, Breckenridge is a true Victorian town and the largest sanctioned historic district in Colorado. Even today, it continues to hold its magical charm. The easiest way to access the ski area is to take a short walk around Maggie Pond to the Quicksilver Lift located right behind Main Street Station at the base of Peak 9. Or, let our on-demand shuttle service pick you up in the main lobby and take you straight to the gondola just six blocks away.
